

Town of Brookfield
P.O. Box 463
Brookfield, VT 05036

TO: Adjacent Land Owners and Brookfield Planning Commission

FROM: Brookfield Selectboard

SUBJECT: Road reclassification

The Brookfield Selectboard is proposing to reclassify the following section of road from 'Unclassified' to 'Trail':

- 0.27 miles of Old Stage Road (TH 45), starting 0.27 miles west of its intersection with Ridge Road, beginning at the end of the current Class 4 section of TH 45 and ending at the Interstate 89 Right of Way.

The purpose of this reclassification is to establish and verify classification of this section of road so as not to landlock existing parcels of land. No change to the maintenance or existing condition of this roadway is proposed as a part of the reclassification.

In accordance with State Statute, the Selectboard will:

- Conduct a Site Visit of this roadway between the hours of 5:30 and 6:30 pm on Wednesday, May 15, 2024.
- Hold a Public Hearing at the Town Office on Wednesday, May 15, 2024, starting at 6:30 pm

Adjacent Land Owners and the Town Planning Commission are herein notified and invited to participate in Site Visit and Public Hearing. Written comments may be submitted provided they are received by the Town prior to the date of the Public Hearing.

Following the Public Hearing, the Selectboard will deliberate and make a determination on reclassification of this roadway segment. The decision/findings will be entered into the Town records and if changes approved, submitted to the VT Agency of Transportation.

Thank you and we look forward to receiving your comments on this matter.
